- Landscape of Biotechnology infrastructures in India
- Socio-economic performance
- Role of SMEs & Startups
- Incorporation of new biotech startups during the year
- Highlights and overall performance of biotech startups
- National and regional Clusters highlights, new initiatives and related networks
- Manufacturing Parks activity (new investments, state level output, etc.)
- Foreign Direct Investments in Biotech Sector
- State level/ National Level- Investment promotion
- Funds/ Investment raised by Industry (Large, SMEs and Startups)
- Beneficiaries of State Biotech policies - at industry level
- Biological manufacturing capacity additions
- New product releases
- Significant milestones achieved by domestic biotech industry
- Policy and regulatory changes insights
- Overview and analysis of steps and measures by Government that stimulate growth of the sector
- Individual BioEconomy data for all the major bioclusters (key states)
- Analysis of comparative performance of various clusters
- Analysis of the segments that are seeing significant innovation

The Report should comprise quarterly updated Data tables, infographics and analysis in context with the key indicators mentioned above along with quarterly data on formation of new biotech startups.

Designed print ready file to be provided by the agency along with 25 hard copies.

Timeline: The completion of the work shall be within one month from the date of Signing of Agreement.
