Bidder must quote against each and every aspect cited above for due evaluation.
Omission to quote against any aspect will result in rejection of the bid.

The bidders will not indicate separate discount. Discount if any should be merged in the quoted rates. Discount of any type indicated separately will not be taken into account for evaluation purpose. In case, however the bidder is evaluated as lowest bidder (without considering its discount) and contract is awarded by BIRAC, in that case BIRAC will place LOA considering the quoted discount and will avail the discount while actually paying for the rendered services.
